

The Unholy Pilgrim experience, from Fr. Patrick Mugavin (689 km of Ignatian Way Experience 2013)

“I wish to invite parishioners and others to join me in Spirit praying this inner journey. I seek the grace of walking more closely in the footsteps of Jesus in the wholehearted manner that captured St Ignatius. He founded the Jesuits who came to be known as the Company of Jesus: in walking this Ignatian journey I seek to be a closer companion of Jesus, praying the prayer of Ignatius: “Lord, grant that I may see thee more clearly, love thee more dearly, and follow thee more nearly.”
