

Data Iberia

Global Compass Spain (Part of G2 Travel Group)

Within the G2 Travel group, in 2024 they organize a personalized 14-day pilgrimage for a group from Indonesia. The proposal is to walk short distances, from Loyola-Azpeitia to Manresa, skipping certain stages and with a bus to pick you up at the end of each stage. In this way, the stages remain at a maximum of 20 km.
