From Loyola to Manresa on The Camino Ignaciano

By David R. Brock, September 2022

The pilgrim David Brock offers a detailed journey on the life of Ignatius of Loyola applied to the Ignatius Way. Consulting sources, he leads us along the paths that have opened the spiritual experience to Ignacio and to himself.

«Somewhere along my pilgrimage from Loyola to Manresa, Spain, this past spring, we were shown a piece of cathedral art created to honor Saint Ignatius of Loyola. The work contained a number of large circles. Our guide, Jesuit priest José Luis Iriberry, said no one really knows what the circles represent. I told him my theory...»
