

In Barcelona: Pilgrim's Menu!

Ignatian pilgrims can find a friendly restaurant in Barcelona. Next to Plaza Cataluña, at the beginning of the Ramblas, opposite the Canaletas fountain. Since 1926 that is the place of the Núria Restaurant. Now it hosts the Ignatian pilgrims with a special menu for pilgrims that offers salad and gazpacho, a fantastic seafood paella, with wine and other drinks, accompanying the pilgrim to the Dessert of Catalan Cream. Nothing better to finish the Ignatian pilgrimage in Barcelona.

Offer of € 20 exclusively for pilgrims: you must present the credential (pilgrim's passport) with the stamps of the pilgrimage. For groups of pilgrims better book before reservas@nuria.com
