

Fr. Russell J. Roide, sj Pilgrimages

Sometimes we take few steps to the left, sometimes a few steps to the right, other times we take a few steps back, but when we go on a pilgrimage we are walking toward God. We go to God, not perfect, but as we are, with all of our doubts, crisis, sickness, curiosity, adventure, faith, and thanksgiving to ask for favors and to offer ourselves completely.

Sometimes the steps are not easy, but each step counts. These will be the steps that lead you from the person you were to the person growing consciousness and deeper sensitivity to God's view point. There is a path in front of each one of us.
